To Whom It May Concern,

20<sup>th</sup> April 2011

**Reference: BIWATER – BUILDING DEVELOPMENT HOLDING JOINT VENTURE**

Dear Sirs,

I'm pleased to confirm that **BIWATER – BUILDING DEVELOPMENT HOLDING JOINT VENTURE** substantially completed on **4<sup>th</sup> March 2011** the EIB funded project "**Design and Construction of Waste Water Treatment Plant for the City of Haskovo**", Contract No. EIB/FA/971999/W/BG signed with the **Ministry of Regional Development and Public Works of Bulgaria – ISPA IA** on **27<sup>th</sup> July 2004**.

In accordance with the Updated Consortium Agreement dated 27<sup>th</sup> October 2007 the total contract amount of **Euro 16,091,361.57** has been spitted between the partners as follow:

- **Biwater**, England as the **Partner** – Euro **1,384,415.30**; and
- **Building Development Holding**, Bulgaria as the **Leader** – Euro **14,706,946.27**.

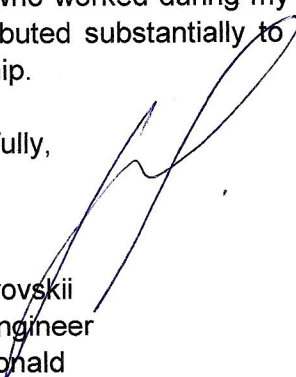

WWTP Haskovo has been designed and constructed using Biological treatment process with activated sludge, Extended Aeration method for 100,000 People Equivalent with Maximum Flow to Treatment of 3,000 cub.m. per hour. The scope of works also includes construction of 3.6 km of the main collector in diameter 1500 & 2000 mm with river crossing and of 1.5 km of sub-collectors in diameter 800 – 1500 mm with two railway crossings each 42 m long using casing pipes of 2200 mm diameter.

The project has been administrated by the following key staff:

- Eng. Georgi Konstantinov, Contractor Representative / Project Manager;
- Eng. Radka Lazarova, Coordinator;
- Eng. Georgi Georgiev, Site Manager;
- Eng. Roza Tacheva, Quality Assurance Engineer;
- Eng. Matey Kolev, Structural Engineer;
- Eng. Krasin Koychev, Process Engineer;
- Eng. Georgi Terziev, Electrical Engineer
- Eng. Peter Pertov, Automation/Instrumentation and SCADA Engineer

I am very pleased to recommend to you the above listed staff as dedicated and experienced engineers who worked during my time as the Resident Engineer. Their accurate and professional work contributed substantially to the successful completion of the project to a high standard of workmanship.

Yours faithfully,

Vasile Skurovskii  
Resident Engineer  
Mott MacDonald
